President's Report

It gives me great pleasure to present the 111th Annual Report being for the 2022/23 season.

With covid restrictions behind us it was good to have a full season of normality.

The patrols performed well under the leadership of our highly qualified patrol captains guided by Adrian.

Adrian brings a wealth of experience to the club with his involvement at Branch, State and Australian level.

Gordie, Steve, Dale, Andy and Sean made up our educational team. The seasons proficiencies were conducted by the team with 136 bronze and 108 other being SRC, First Aid, IRB driver/crew and ARTC assessed. New awards of seven bronze and four SRCs were attained this season.

Troy Adams ensured our future lifesavers (Nippers) were managed, educated, competitive, entertained and generally enjoyed the experience. A record number competed at Branch & State level with numerous medals attained. Each Sunday the BBQs were enjoyed by our juniors (and me).

The beach was busy this season with a Junior Beach, Branch Beach and SNB Boat Carnivals. This cumulating with the WSL Challenger Series taking over the club for most of May.

Our boat crews were always up there with the best, making semis and finals. There were two male and two female crew competing at Ocean Thunder with 'The Golden Girls' obtaining a second place. For the first time we had competitors in the Champion Lifesaver. Caitlyn Robinson competed and achieved a top 10 finish in both Branch and State and Kasey Bolt winning two medals at Aussies.

A fundraising committee was formed when club stalwart John Perry was diagnosed with a debilitating affliction. The response from so many community organisations wanting to be involved showed the high esteem that John is held within the community. The generosity of so many was astounding, you could not move in the office. The spirited bidding at auctions ensured the night was a resounding success. We all wish John a full recovery.

It was refreshing to hold the club presentation at Manly Leagues Club this year and dress up for the occasion. We were fortunate to have state Member for Pittwater Rory Amon and Northern Beaches Councillor Vince De Luca present (we did get in their ear re the club's extensions) as well as 8 of our Life Members. The awards presented showed the depth of dedication our members have to lifesaving. The highlights of the night were awarding of the W E & W K Barnett award (club member of the year) to Jacque Grimes and patrol person of the year to Shane Lee. Shane and Jacque put in an impressive 143 and 88 hours patrolling - triple and double the hours rostered.

A big thank you to Adrian, Jacque, Trina and Brian for organising the night and to Greg Punch acting as our M.C. The planned extensions are slowly progressing. Community consultation has been carried out and the final plans are being drawn up. The first stage is still expected to commence in May 2024.

There are numerous members contributing to the club's success.

Graeme's organisational skills ensure the club is in great shape from maintenance, repairing the infrastructure, organising campers' nights and NYE, repairing the IRBs and managing the bar.

Rob Jack is still there every week balancing the bar takings, as is Mario ensuring the coldest and cleanest beer is served by our customer focused bar staff.

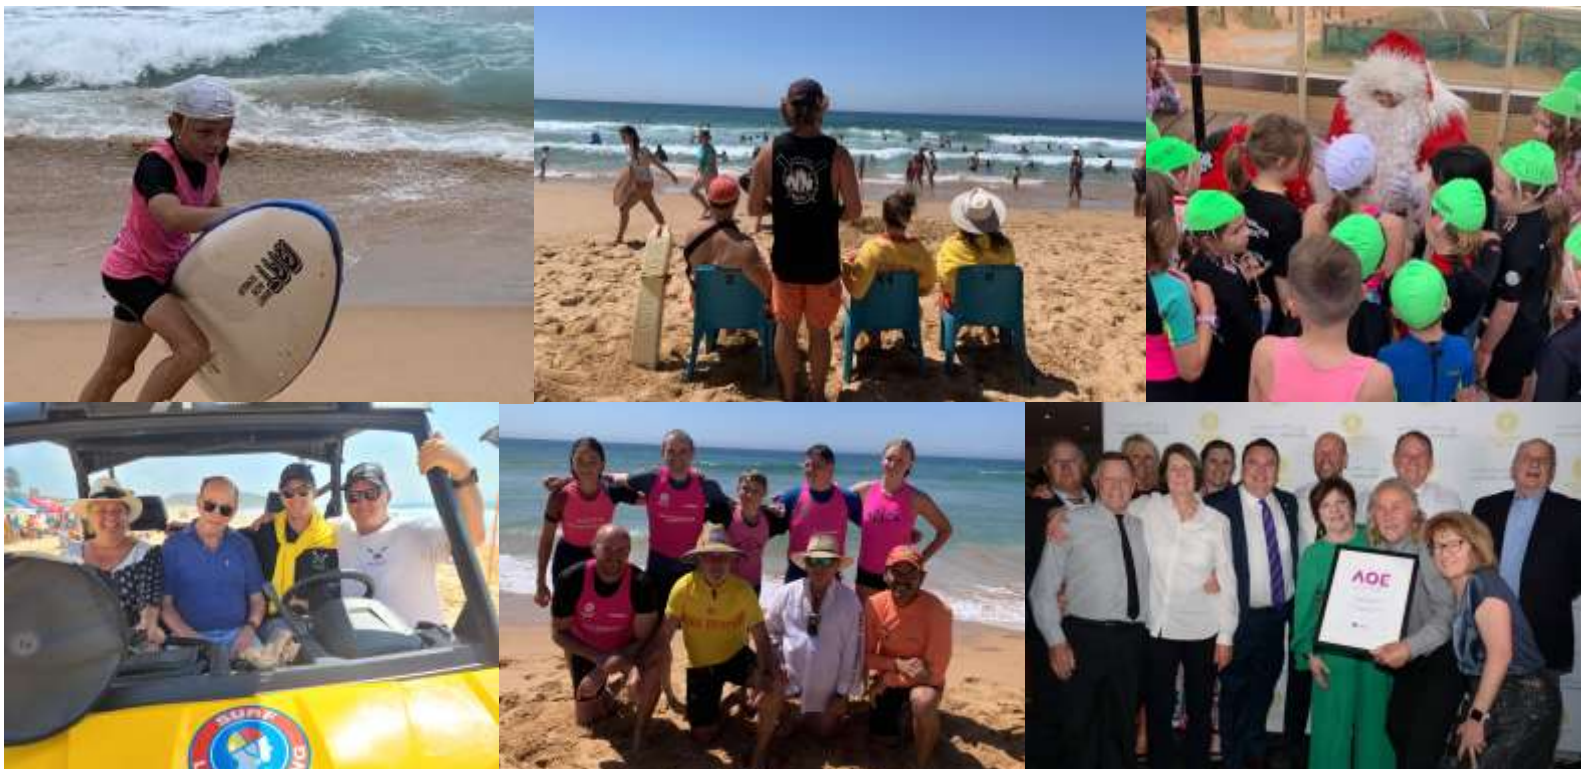

Every year I give a thank you to Deputy President Rob Kaines. Rob does the little things about the club while still organising the highly successful 100 Club and Find the Joker. He also put in many, many hours organising the John Perry fundraiser.

Brian's ever increasing workload in coordinating the day to day running of the club has certainly made it easier for all.

Lastly, I would like to thank the committee for their support and unending work in giving direction to the future of the club.

LIFESAVING

Lifesaving Report

The 2022-23 season was a welcome return to the beaches without any restrictions and business back to normal. I wish to thank the patrolling members for their contribution this season and stepping up when we had some shortages on patrols.

Again, we can say happily that no lives were lost on patrols at North Narrabeen this season with the support of the Northern Beaches Council Lifeguard services team. This season the club provided a total of 5697 hours of patrolling hours for the community with 17 rescues performed down from 38 the year before. We have seen a reduction in our first aid cases down to 75 incidents from 95 the season before but promising to see our preventative actions up to 487 an increase of 25% which shows how well our patrols have been observing the trends of the beach users and identifying issues before they happen.

Our attendance numbers on the beach were well up on the last years numbers by 38% with a total of 100,438 total attendance, this can be attribute with campers returning to the caravan park as we had seen large numbers around the lagoon and the Northern Corner on the beach.

I wish to thank the Patrol Captains for their leadership with their patrols and making sure that all patrols had been covered and providing a safe place to swim. A big thank you to Steve and Gordy for arranging the proficiencies again this season, having these two gentlemen within our club providing their experience and knowledge sets a good platform for the future with new trainers coming through the ranks.

To those members that have achieved their SRC and Bronze awards this season, welcome to the best thing for your community and congratulations. To those other members that have gain further awards thank you for giving up your time to ensure our patrols are highly skilled and congratulations.

Congratulations also to our Life Saving award winners from the presentation night.

Shane Lee – Life Saver of the Year

as well as a high mix of 100% attendance. The patrol also had completed their logs to the fullest and ensured gear had been cleaned at the end of the day.

The club doesn't run without the support of some great members and a special shout out to the following

- Graeme "Topy" Jephcote for ensuring that all the gear and equipment is in working order and arranging repairs when needed.
- Kurt Stahmer ensuring our first aid room and supplies are stocked and in working order.
- Dale Ferrington taken over the IRB section and arranging all the IRB training and gear and equipment.
- Brian Robinson for helping lessen the administration burden now placed on volunteers with the increase in paperwork.
- Liz and John helping out with after hours call outs and providing access for the members.

Lastly thank you to Alan Rose the other Executive and Committee members for their support in my first year as Director. It has been an enjoyable experience being back at a club level to ensure together we can provide a safe environment for the community and our members.

Enjoy your break and hope to see you all in the new season.

Education & Training Report

Another season to remember, our numbers for Bronze and SRC members were down for the first half of the season. Skills Maintenance on-line E-learning was still with us but in addition we did most of the Dry Proficiencies over many evening during the weeks plus Patrol by Patrol a great effort by the Trainers.

Wet Proficiencies were run most on Sunday morning in conjunction with the club swims, big thank you to Alan Rose for his assistance with recording names.

Trainers concentrated on running all club Proficiencies in the first part of season, due to compliance changes we ran three First Aid HLTAID011 Training Courses, due to these changes we needed to do First Aid HLTAID011 course prior to running any Advanced Resuscitation Techniques HLTAID015 Courses.

COMPETITION

Competition Report

A huge congratulations to all competitors who represented North Narrabeen this season. It was great to get back on the beach for another great competition season.

North Narrabeen was represented at all major surf boat events as well as some individual competitors at Branch and State level which was great to see.

A special mention must go this year to Caitlyn Robinson for her achievements in the Champion Lifesaver event.

The surfboat section was particularly strong fielding seven crews this year with two making the journey to represent the club at the Australian titles in Perth. .

The entire competition section is hugely grateful for the support of the club, its sponsors and its members and looks forward to building on this solid foundation for next season.

Tara Jenkins
Competition Director

Handicapper Report

The Sunday swim again proved very popular with up to 20 swimmers lining up to compete. There is always a strong competition between the Kelly families with 7 Kellys competing on the 27th November.

The beach was closed on 7 occasions causing the swim to be cancelled.

The Handicap Surf Swim Point Score was won by Bruce Kelly. Before the swim, if he has not done water safety for the Nippers, he can be seen jogging along the beach from Narrabeen to arrive just in time to compete. Well done Bruce.

The Club Championships were held on Sunday 23rd April.

The Beach results are:

EVENT	1ST	2ND	3RD
Open Sprint	Charlie Kelly	Shane Lee	Rob Jack
Junior Sprint	David Kelly	Peter Kelly	Jason Perry
Open Flags	Charlie Kelly	Shane Lee	Rob Jack
Junior Flags	David Kelly	Jason Perry	Jacinta Perry

It was disappointing the beach was closed and no water events were held.

Come along on a Sunday morning for some competition & friendly banter.

The swim can be utilised to complete the wet component of SRC & Bronze proficiencies.

Look forward to seeing you at the patrol tent at 11.00am every Sunday morning during the patrol season.

FINANCIALS

Financial Report

It brings me great pleasure to present the Financial Report for the year ending 30 April 2023.

Firstly, thank you to Rob Jack and Alan Rose for all the time you have both spent volunteering in the office and helping with the time commitment of my role. I have valued both of your time immensely during my 3 years as Finance Director at this great club.

The club posted a profit of \$66,365. This is approximately a 45% increase in the profit generated from last year. The club's total cash position also advanced from \$473,044 last year to a healthy \$514,792.

A few notable points from the income account this year:

- 107.5% increase to our Bar Sales with a total of \$338,088 received for the year
- The cost of sales also increased; however, we secured a total Gross Profit from Trading of 52%. This was a 14% increase compared to last year
- Membership income increased by 18% to a total of \$60,555
- Fundraising income lifted 32.7% to a total of \$52,767
- There was a significant 32% decrease in money received from Grants and Sponsorships
- With the above considered we have secured a 28.5% increase in Total Income from the period with a total of \$440,119.

The club's expenses also increased 26% to a total of \$373,574. Most of the club's expenses are consistent from last year with the key drivers: an increase in staff wages and hall cleaning fees, prizes and trophies, fundraising expenses and a small component for the change over to the new Square Point of Sale system.

In closing, following the slated renovations, I believe we can continue to grow the club in terms of membership, bar takings and continue as the community club to be the envy of the other surf clubs. For the upcoming season and future we have secured a strong financial position for the future direction of the club.

Regards,
Harry Suters
Finance Director

AUDIT REPORT TO THE MEMBERS OF

NORTH NARRABEEN SURF LIFE SAVING CLUB INC. CONSOLIDATED

A.B.N. 84 987 305 207

I have audited the Balance Sheet and Profit and Loss and the notes thereto (Financial Report) of North Narrabeen Surf Life Saving Club Inc (Consolidated) (the "Club") for the year ended 30 April, 2023

The committee is responsible for the Financial Report. I have conducted an audit of the financial report in order to express an opinion on it to the members.

My audit has been performed in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly so as to present a view which is consistent with my understanding of the Club's financial position and performance as represented by the results of its operation.

The audit opinion expressed in this report has been formed on the above basis.

Qualifications

Receipts from sponsorships, grants, donations, trading and other fund raising activities are a significant source of revenue for the Club. Our audit procedures with respect to revenue from these sources had to be restricted to the amounts recorded in the financial statements. As a result, we are unable to express an opinion as to whether revenue from these sources is complete.

It is not always practicable for the Club to establish accounting control over all sources of income and expenditure and accordingly it is not possible for our audit to include procedures to confirm the completeness of such income and expenditure recorded in the accounting records of the Club.

Audit Opinion:

In my opinion:

The accompanying financial report of the Club is in accordance with the Associations Incorporation Act, 2009 including:

- a) Giving a true and fair view of the Club's financial position as at 30th April, 2023, and of its financial performance for the year then ended;
- b) The accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations;
- c) Monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and
- d) That the Club's financial records are kept such as to enable financial statements to be prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 April, 2023.**

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act 2009. The committee has determined that the Club is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporations Act 2009 and the following Australian Accounting Standards:

AASB 110: Events after the Balance Sheet Date
AASB 116: Property, Plant and Equipment
AASB 1031: Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Inventories

Inventories are measured at the lower of cost and net realizable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on a first-in first-out basis.

Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

These notes are to be read in conjunction with the attached audit report.

Page 3

**NORTH NARRABEEN SLSC INC. CONSOLIDATED
A.B.N. 84 987 305 207**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 April, 2023.**

Fixed Assets

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the Club commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful life of the respective improvements.

Employee Benefits

Provision is made for the Club's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Income Tax

No provision for income tax has been raised as the Club is exempt from income tax pursuant to Div 50 of the Income Tax Assessment Act, 1997.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognized net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

These notes are to be read in conjunction with the attached audit report.
