

# 2022 - 2023 Nippers Annual Report

NORTH NARRABEEN SURF LIFE SAVING CLUB INC

Affiliated with the Surf Life Saving Association of Australia

## North Narrabeen SLSC Junior Activities Committee

Minutes of the Annual General Meeting (AGM) held on 28th March 2022 commencing at 11.00PM

Attendance – please see attached attendance sheet.

Secretary – Mark Franz welcomes everyone and gave the Order of Process.

Acceptance of previous AGM minutes by Greg Kelly second by John Perry

Greg and all the committee members stood down and the positions were replaced / declared with the following new committee –

Chairperson	Troy Adams	Voted by John Perry, 2nd by Mark Franz
Secretary	Mark Franz	Voted by Rachel Briggs 2nd by John Perry
Treasurer	Troy Adams	Voted by John Perry, 2nd by Mark Franz
Registrar	Lisa Keep	Voted by John Perry, 2nd by Mark Franz
Competition Secretary	Gee Lee	Voted by John Perry, 2nd by Greg Kelly
Gear Steward	John Perry	Voted by Rachel Briggs, 2nd by Mark Franz
Newsletter Editor / Website	Sarah Ryan	
Water Safety Officer	Matt Ingersole	Voted by John Perry, 2nd by Mark Franz
Clothing Manager	Rachel Briggs	Voted by John Perry, 2nd by Mark Franz
Board Coach	Darren Marshal	Voted by John Perry 2nd by John Perry
Swim Coach		
R&R Coach		
March Past Coach		
Tour Manager		
BBQ Coordinator		

Age Managers are yet to be confirmed in full and will be advised once done so.

Troy thanked the past committee, age managers, water safety and everyone else for the effort and contribution for the 2022 – 23 season.

Troy welcomes the new above committee and requested all parents to give some thought as to helping our on the committee and then thanked everyone for attending.

Meeting closed at 11.20pm

# Chairperson's Report

## Chairperson Report

What constitutes a successful season? Is it the number of registrations? A measure of our finances? If it's the kids' happy faces on a Sunday morning then I feel it has been a very successful season.

We had a pretty kind season in terms of weather, losing only the one session. When compared to previous years of Covid, bad weather and even Tsunami warnings, it's almost unbelievable.

We listened to feedback from our members at the close of last season, with the general view being, "more information please", and we tried to do this. From the start of the season, we posted on Facebook and Team App at every opportunity, trying to ensure you, our members, had the information you needed. Of course, there are still mistakes made and information missed. We will Endeavor to do better every season.

I personally have attempted to make myself available to any member that may have a question or an issue and have done whatever I can to answer or resolve that query.

We would like to thank our sponsors, who without their support we would not be able to provide or fix boards, send Nippers to carnivals, and many other activities that go on behind the scenes.

Thank you to all those who gave their time to help on BBQ's, uniform shop, water safety, assisting the Age Managers. The club runs on volunteer power, and without you, it could not function.

Thank you to the Committee who tirelessly and often thanklessly work throughout the year to ensure every season is a success.

Last but certainly not least, thanks to the Age Managers who stepped up to ensure the Nippers have a season. Without you there is no Nippers.

We hope to see you all back again in 2023-24 to do it all over again.

JAC Chairperson

Troy Adams

**Secretary:** Mark Franz, works tirelessly and has continuously kept us up to date with correspondence from the office.

**Treasurer:** Troy Adams, the Guru of Finance and keeping everything in check and Balanced.

**Registrar:** Lisa Keep was keeping an eye on all our new and returning Rego's. the season never ends.

**Competition Secretary:** Gee Lee. Always on the computer chasing up entries and entering with branch and doing water safety at carnivals.

**Clothing Manager:** Rachel Briggs, awesome job this year with bumper sales coordinating and making sure our hooded towels and T-Shirts are always available.

Sponsors: Thanks Brian Robinson for organising our sponsors for this year. All contributions are much appreciated:

- BELLE Properties
  - Chanel 10
  - LJ Hooker Narrabeen
  - Physioward
  - Bakers Delight Warriewood and Narrabeen
  - Beaches Dental
  - No1 Roofing
  - Papalio
- The Hit Cafe
  - Signarama Warriewood
  - Pittwater Quality Meats

Age Managers: Thanks to all our Age Managers and helpers. I hope you have all had a great season. You have all done an awesome job and our parents and Nippers really appreciate your efforts in turning up and taking charge each week leading the way. Thanks to all the parents that have taken part assisting the Age Managers. We wish all those who are leaving us all the very best.

I hope your time at NN has been a memorable one. We are always looking for help with our Age Managers. Please put up your hand and help. On behalf of the committee, I would like to thank all the parents and Nippers for a great 2022/23 season.

Enjoy the winter sports. See you all at Rego Day September 2023/24 season.

### **John Perry - Supervisor**

# Treasurer's Report

At the end of the 2022 - 23 all finances were managed through the Senior Club Executive Committee with details to be provided in the forthcoming North Narrabeen SLSC Annual Report (July 2021).

## Major sponsor

Many thanks to the crew at **Belle Property** who have been essential in our ability to upgrade boards and equipment this year including our awesome new banners as well as keep us fed with the team on BBQ duties, we look forward to seeing Belle Properties at the Club next season! **Chanel 10** your continued support for the club has been well received and hope we can continue the wearing of your logo on our club clothing next season.

## Minor sponsors

Our gratitude goes out to more of our newest sponsors this season, thank you to the team at **LJ Hooker Narrabeen, Beaches Dental, No1 Roofing** and **Physioward**. Your generosity and Support are greatly appreciated by the club and our Nippers.

## Supporters

**Bakers Delight** at Warriewood have again provided free supply of bread for the BBQ and **The Hit Cafe** have sponsored the Nippers awards each week – Thank You!

We also would like to extend our thanks to Signarama for their ongoing support again this year!

We thank our sponsors and supporters for their generous support of North Narrabeen Surf Life Saving Club.

Our club is a non-profit organisation that is run by volunteers, we are in constant need of financial assistance to continue our good work on the beach.

If you or your business would like to support NNSLSC please contact us for details on how we can form a great partnership for the benefit of both NNSLSC and your business and become part of the NNSLSC family.

## **Secretary Report**

This year we finally got to have an uninterrupted season with one nipper session cancelled due to weather. We started to have consistency every weekend bringing families back to the beach and club.

It was great to have our Halloween disco back DJ Jordan Piper had everyone on the dance floor, I think the parents put just a bit more effort into the dress up than the kids. We look forward to seeing you all back for a spooky night this Halloween.

I would like to thank Troy in his first year as Chairperson, it is a big role, Troy provided the guidance and dedication over and above to the Club this season making sure everyone was informed and activities ran smoothly throughout the season. To all the committee thank you, without you there would be no nippers. Thank you to the North Narrabeen Senior committee for your assistance. To Gordy, Steve, Andy & Angela your guidance and training keeps North Narra ahead of all the other clubs, thank you for your time spent training our future life savers. Well done to all the Bronze & SRC club members, it was a great effort from all involved. Thank you to all the members that I have not mentioned without you we would not have a beautiful club to share.

**Mark Franz – JAC Secretary**

## Clothing Report

Our fabulous NN hooded towels were the hot ticket item again for the season along with trucker caps. We had new items including polo shirts in black/white/grey for the adults, hoodies for the kids and adults. NN crew t-shirts in black/white/grey have also been added to our collection, these high-quality NN fashion tees proved a popular addition to our growing merchandise line. We had a great season with lots of sales, thank you to everyone for your support.

It would be wonderful to get more volunteers on board in the clothing shop. Give back to your great club and volunteer. Promise you'll have fun!

Look forward to seeing you at  
Registration Day 2022/23.

Rachel Briggs

## **Nippers Carnival Summary**

Big Thanks to all Nippers this year and to the ones competing in Carnivals, you all did such a great job and tried so hard.

Here is a short summary of events.

### **November 6 North Narrabeen Beach Carnival**

A Great home carnival and great representation by all North Narrabeen competitors. The Amazing results to mention were Jacinta Perry 1st in u13 2km, AJ Pearce 4th in u9 2km, Julia Ralston 5th in u13 2km, Jasmin Berry 1st in u14 flags, Maeve Heidt 5th in u11 flags and Piper Kiely 4th in u11 sprints.

### **November 27 Freshwater fast and Furious Water carnival.**

We had great representation from both senior and junior teams at freshwater.

In juniors we had Mitch, Rory, AJ and Vincent in the girls we had Georgia and Lessia in the girls.

And from our senior teams we had Jacinta, eve, Chloe and Issy for the 13s and piper and Alice in the 11s... great job all. and well done to Alice in her first carnival... everyone was so awesome...

### January 15 Nipper National Manly

It was a great day out at the Nipper Nationals at Manly for Jacinta and Eve in u13 water, Piper in u11 beach and AJ in u9s water... Jacinta made the iron person final, AJ 3rd place and bronze medal in board and 9th in swim, piper 12 in flags and 9th in sprint.

### January 29 – Branch Water

Branch water was at Collaroy. We had the northern beaches branch championships, AJ Pearce in u9, Vincent Zhang in u10, Piper and Alice in u11 and Jacinta, Chloe, Julia and eve in u13... big effort by all.

Special mentions to AJ for 3rd in swim and 5th on board, Jacinta 8th, eve 13th in ironman, Eve 6th and Jacinta 9th in board, Eve and Jacinta 5th in board rescue.

The u12 girl's teams.... 2nd in team swim and silver medal, 3rd in board relay and bronze medal and 3rd in Cameron relay and bronze medal... All qualified for state in those events.

### Feb 5 Branch Beach – Collaroy

Branch beach carnival was at Collaroy. We had Jasmine berry u14 girl's 3rd in sprint and bronze medal and 2nd in relay and silver medal, AJ Pearce 6th in u9 1km, Piper and Maeve in u11 girls, 1st in relay and Gold Medal, piper 2nd in sprints and silver medal and Maeve won the flags as branch champion. And Gold Medal.... well done all...

### Feb 24 to 28 State Carnival at Queenscliff

We had a great first two days at state nippers' carnival Queenscliff/Nth Steyne/Manly. everyone performed so well.

AJ Pearce in u9s made the final in board and swim, iris came 11th in the u11 1km Run, Eve and Jacinta narrowly missed the board rescue final.

On day two at state for [North Narrabeen Nippers](#), awesome competitors all round, kiva and pepper in u12 board and sprints, Charlie in u14 swim and sprints, Maeve and piper in u11 sprints, Alice and iris in u11 swim and board..

notable mentions... u13 girls of eve, Jacinta, Natalie and Julia made the final in swim teams and came 10th (despite Julia breaking her goggles on the start line). Piper narrowly missed the final for sprints and Rhys Duncan made the final and did NN proud taking 8th in the state. Super proud of Maeve Heidt for the support she gave all competitors and the good sportsmanship she showed. Big shout out to troy Adams and [Steve Ralston](#) for covering water safety today so our nippers can compete.

A Fantastic final day at the state nippers carnival, fantastic efforts all round from Kiva, piper, Maeve, pepper, Rhys and the u13 girls... Rhys Duncan and Pepper Lee both made the final rounds of flags in u12 and both came **5th in the state** for boys and girls respectively narrowly missing a medal each... piper came 13 in flags and the under 13 girls Cameron team finished 11th in the final... more importantly everyone had a great time and we look forward to having more [North Narrabeen Nippers](#) join them next year to compete... big thanks to all those who assisted including Gee Lee for registrations, the water safety and IRB volunteers and all the parents who supported their kids so well....thank you all for a great state carnival and a great year for carnivals generally.

# Age Manager Reports

## **Under 6 Girls**

The first season for the under 6 girls has come to an end, what a fantastic season it has been. Beautiful weather, warm water and lots of Fun. The New Nipper U6 girls took to the challenges with cheekiness, moaning, lots of groaning always though with lots of laughing and smiles. There was never a dull moment all season.

The under 6 girls have learnt the art of running, running up a sand dune's, running through water and trying to laugh while running. The first year of nippers taught the girls the fundamentals of beach safety with Andy and Angela providing the education days for the kids.

As always, the boards in the lagoon were the winner, everyone loved the water this season far outweighing the beach events. I hope everyone on the team enjoyed the season and took what they could from their first year.

I would like to thank the Under 6 Parents for helping and making the season enjoyable for everyone.

I look forward to seeing you next year in Under 7's.

**Mark Franz - Age Manager**

## **Under 6 Boys**

What an awesome year we had ahead. Plenty of new faces and the return of a few familiar and cheeky ones from last year, our U6 boys got off to a great start. We also had a very capable U6 squad with 90% of our U6 lads water proficient in the first week, so with bags of energy and plenty of ability we were in for a fun season of nippers.

Our crowd favourite beach games were 'Shark Rush' and 'Tug of War' against the parents, which I think the lads had a dominating record. 5 – 0.

The favourite water activity was by far 'boards' most of the lads so proficient that they were surfing and knee boarding.

As the season moved forward so did the boys beach confidence and the need to compete. Hence beach flags became a much-anticipated part of our session, it was always hotly contested but it was never dominated by just one lad. Everyone gave it their all, ran as fast as they could and dived in the sand to compete for the flag.

Lastly a big thanks to all the parents that lent a hand through the season it makes the morning so much more fun.

**Jacob Birch - Age Manager**

## Under 7 Girls

What a fantastic second year at Nippers with plenty of sunshine and warmer beach weather. A fabulous group of girls with many returning and we also welcomed those joining North Narrabeen for the first time.

It was a pleasure to see the enthusiasm and improvement in their skills each week. From wading in the shallow water to some very fast beach sprints and close competitions in the beach flags. Fabulous teamwork in the relays to a game of Octopus on the sand and in the water. We even joined the U7 boys for a big game of Sharks. The girls impressed us with their freestyle swimming and awesome board paddling in the lake and the pool. Thanks to Patrick, age manager for under 7 boys, for accommodating.

Most girls challenged themselves and jumped off the boardwalk into the pool and swam to the ramp, then even came back around for another go. Though I noticed some of the girl's technique was a more like a bomb into the pool that splashed the Dads!

A very special thank you to all the parents that braved all conditions and helped out in the lagoon and the pool! Carried the boards and helped with setting up the flags. Thank you to Pepper (U12 Nipper) for helping the age managers and for demonstrating the beach flags and board techniques to the girls.

At our social event we had some of the U7 girls arrive in their spooky costumes and hit the dance floor with DJ Jordan at the Halloween disco what a sensational family night at the club.

With the lagoon open and the water crystal clear the girls had an enjoyable time swimming, floating and board paddling with the waves and the fast current. The current was really flowing in from the beach, it was helpful to have a few extra hands to drag the nippers to the sand, and a final float all the way into the lagoon sand bar. What a memorable way to end the season! We hope to see you all back at the beach next season.

Thanks again,

**Luke & Gee - Age Managers**

## **Under 7 Boys**

What a year we've had with great weather most weekends. A lot of familiar faces from last year with a few new ones. It's fair to say all kids have improved greatly as the season unfolded and their confidence has gone way up, especially in the water.

Favourite activity by far was board paddling, either in the lagoon or the pool. Everyone is now comfortable with paddling around as well as rolling the board and getting back on. Another water activity which the kids really enjoyed was jumping off the pool walkway and swimming back to the ramp with everybody now water proficient. Towards the end of the season, we also had the kids wading in the surf and they enjoyed it so much, I believe they would have been perfectly happy to do this all session 😊.

Back on dry land, flag races really showed the competitive nature of most kids which will come in handy next season when things get a bit more serious. As always, Shark Rush and Tug of War were the favourite beach activities, especially when the parents got involved. We also built our team spirit with relay races, great fun especially when in shallow water in the lagoon.

Also of great importance was to remind the kids about beach safety. They are now well aware to only swim between the flags and go to the patrol tent if in any trouble.

We would also like to thank the parents for helping out during the sessions, tidying up at the end or lending a hand on the BBQ.

This year, the U7 boys was the biggest group we've had in a while and though sometimes challenging, it's been an absolute pleasure to turn up every Sunday morning and we're very proud of all the kids for their effort and enthusiasm.

We hope you can all join us again next Nipper's season.

**Patrick Rouvray - Age Manager**

## **Under 8 Girls**

Well, we made it! What a great season in contrast to last year. We had some great weather and conditions to help us maximise the use of the beach and water for our girls!

We would very much like to thank all the parents for bringing their girls along this year. We sincerely appreciate our parents not only for introducing your children to North Narrabeen Nippers but for all of your help setting up, packing up, standing in the cold water while the girls run past splashing you, occasionally losing a game of tug of war and generally being involved in nippers. The kids absolutely love seeing their parents involved!

We would like to also make special mention to our under 12 girl Daisy Keys for being there almost every week helping us throughout the season.

This year we furthered our education and skills in all sorts of fun things like beach flags, board paddling, how to run through and wade in shallow water, proposing technique and beach sprints. In addition to this we have begun the process of slowly getting the kids into the surf and we are looking forward to next year taking that to the next level! We've also learned how to work as a team in relay and tug of war competitions. The subtle advancing of these skills this year will see the girls in good shape for next season when we take on points days again and the competition becomes a little bit more real!

With regard to points days becoming a new thing for the girls this year, I must say we were pleased with how the girls responded! We have definitely seen some great potential in competitive ability but most importantly we've seen some great moments of sportsmanship along the way.

We have talked about all the creatures and hazards that can be found on the beach, we've learned about rips and sea currents, we've talked about basic surf lifesaving signals as well as what the different flags and signs used on the beach mean and we've learned about how and when a lifeguard can help us.

It has been an absolute pleasure guiding this group of girls through their third season of nippers, their smiling faces early on a Sunday morning make it all worthwhile and I hope to see them all back for next season!

**Thanks again, Age managers Jay and Jaimie.**

## **Under 8 Boys**

Nippers...? SLSC...? Flags...? Boards...?

All this was new to me when I started as age manager this season. Growing up in the Blackwood Forest in Germany, hundreds of kilometres away from the sea and from beaches, I never imagined that one day I would become an age manager for the Nippers in an Australian SLSC. But life has a way of surprising us, and that's exactly what happened to me. I first became involved with the Nippers when I moved to Australia and my own children joined the program. At first, I was a bit unsure of how to get involved, given my background. But I quickly found my feet and was soon volunteering as an age manager for two groups. Thank you, Kasey, for helping me at the beginning of the season.

The Nippers season was truly unforgettable! The U8 boys were amazing and showed incredible progress in their skills and confidence on the beach. It was so much fun to watch them grow and develop throughout the season.

There were countless highlights and memorable moments. The team spirit was always high, with everyone supporting each other and cheering on their teammates. But what made this season truly special was the sense of community and camaraderie that developed among the kids. We all came together to share in the joy of being active and enjoying the beach lifestyle, and it was wonderful to see everyone having so much fun.

Overall, the Nippers season was a huge success, and we can't wait to do it all again next year!

**Florian Klumpp - Age Manager**

## Under 9 Girls

This year proved to be a defining year for the Under 9 Girls, it was unbelievable to watch the girls grow into confident young nippers, I have been with the Girls since under 6 with this year standing out.

Being Under 9, this was the first year the girls could compete in the carnivals, use the boards in the ocean and compete at State level. The step up in competition was brilliant, the teamwork shown when at the carnivals, in the water or practicing on the beach was exemplary and made not only me but all the parents watching incredibly proud.

I would like to thank all the girls for this year, you have all worked so well together making it a pleasure to be on the beach each Sunday. You should all be incredibly proud in what you have achieved.

I would also like to thank Adam, Flo and Steph for completing their SRC course helping each Sunday with water safety for all age groups, the club is better for having you and the example you set is outstanding - Thank you.

### Mark Franz and all U9 Parents. - Age Managers

## **Under 9 Boys**

As a completely under-qualified dad who just happened to put his hand up to “help out” for the 2nd half of the season, I can’t claim the role of age manager for the U/9 boys - it has been a genuine collaborative effort amongst all the parents.

Full credit and thanks to Dave Peacock for being in charge for the first half of the season.

From there the entire group of mums and dads have really stood up to be counted, and we all worked well together as a team to make sure the boys had lots of fun and really enjoyed the season. A huge thank you to all those parents for all your amazing efforts. Extra special thanks also to Troy Adams and Mark Franz for your guidance at the important times.

From the start of the season when so many boys would struggle to stay on a board in the lake, to finishing the season with full beach swims and board paddling, it’s been a joy to watch the growth in confidence and ability of this special group of lads. Congratulations boys - your parents are so proud and we look forward to watching you grow into marvellous young men over the next few seasons. And next year - more Tug O’ War!

Best wishes and thanks to all,

**Phil Burton- Age Manager**

## **Under 10 Girls**

I had the honour to be the manager of this wonderful group of girls.

Whilst we were not with many, the whole group consisting of Alessia, Georgia, Olivia, Yvette, Chloe, Charlotte, Lila, Alice and Catelyne were extremely competitive, and each points event was a close call as to who would win.

I had great joy managing these girls and I can say that all of the girls greatly improved on their skills particularly the water events. We improved on our running skills and strength and, despite the fact that the weekly big sand dune race wasn't the most popular event it did help getting stronger at running.

The biggest improvement that we made as a group was in respect of the water events. At the start of the season most of the girls saw the ocean swim and boards as a big challenge, but by the end of the season all of the girls had conquered their fears and completed both the ocean swim and board race.

Well done to all of you and also a big thank you to the parents that helped me out especially Sam Waterhouse. I really hope to see you all back in the U11 group when the next season starts!

**Jeroen Krabbe – Age Manager**

## **Under 10 Boys**

Well first there should be big congratulations to all 23 (or so) teammates in the U10 Boys Nippers squad!

It's been a busy season all round and they've all shown great commitment just by getting there each week and participating. They should all be proud of the courage and teamwork they displayed throughout the season in weather and ocean conditions that were at times, far from ideal, and for a couple of weekends there, very challenging. The vast majority of the boys were able to complete their ocean proficiency early enough in the season so they could take part and compete in all the events held on the points days, so we had a really rewarding season where all the kids grew in confidence as they grew by experience.

We also had some outstanding individual performances throughout the points days and those boys should be really proud of their efforts and their sportsmanship.

It was our first season as Age Managers so we were learning on the run and we'd like to thank all the parents who turned up each weekend and helped us along.

A huge thankyou must also go out to our team-leader Matt Briggs for coordinating the beach and ocean events that made every Sunday "funday" for all the boys.

### **Ben & Karen - Age Managers**

## **Under 11 Girls**

Growing up in the Blackwood Forest in Germany, hundreds of kilometres away from the sea and from beaches, I never imagined that one day I would become an age manager for the Nippers in an Australian SLSC. But life has a way of surprising us, and that's exactly what happened to me. I first became involved with the Nippers when I moved to Australia and my own children joined the program. At first, I was a bit unsure of how to get involved, given my background. But I quickly found my feet and was soon volunteering as an age manager for two groups. Thank you, Simon, helping me to run the U11 girls.

The Nippers season was truly unforgettable! The U11 girls were amazing and showed incredible progress in their skills and confidence on the beach. It was so much fun to watch them grow and develop throughout the season.

There were countless highlights and memorable moments. The team spirit was always high, with everyone supporting each other and cheering on their teammates. But what made this season truly special was the sense of community and camaraderie that developed among the kids and their families. We all came together to share in the joy of being active and enjoying the beach lifestyle, and it was wonderful to see everyone having so much fun.

Looking back on my journey as an age manager, I feel grateful for the opportunity to have learned and grown in this role. The SLSC and Nippers are such a great part of this wonderful country. I'm proud to be part of this vibrant and supportive community.

Overall, the Nippers season was a huge success, and we can't wait to do it all again next year!

**Florian Klumpp - Age Manager**

## **Under 11 Boys**

What a great season for the U11 boys. We have really had a great time building up confidence and skills in the ocean this year and some fun times on the beach.

The best part about being involved with nippers is watching a wide range of skills develop throughout the year. The club championship was a great example of the success for all the boys, with some of the kids really hitting their competitive straps and pushing themselves, while others were getting round the swim course and overcoming their fears. All huge successes.

Through the winter I encourage all the kids keep up their swimming, so that we start the season later in the year as we finished this one.

**Age manager - Matthew Briggs**

## **Under 12 Girls**

What a great Season! The girls have had a great year this year with the weather mostly on our side and the surf conditions more favourable allowing us to expand on our surf skills and overcome some fears.

We have introduced some new faces to competition with a couple of carnivals at our home beach this season. Great efforts by Kiva, Pepper, Daisy and Lotus.

Our points days this year have been great to see some new faces getting in amongst the points tally, congratulations to all our girls for challenging themselves both in and out of the water. Some highlights have been seeing wave of the year from Pepper, catching the end of a monster set and holding on like a pro, tactical flags competitor Kiva being quick enough on her feet to take out her rivals on the other side of the course, Speedy sprinter Iman regaining her sprint queen title and my own Daisy for overcoming her fears of the deep blue to take out our most recent swim race on club champs day. Abbie as always is great to see her developing her swim and surf skills and Maddison is becoming tough to beat in flags. It's also been great to see Monique becoming more confident in the water.

We welcomed new faces Phoebe and Milly to our core group, and they have fitted in perfectly!

I want to thank all the parents for their help throughout the year, it's so great to be able to rely on you guys every week, I couldn't do it without you!

**Jaime Keys – Age Manager**

## Under 13, & 14 Girls

What a great season for 13 and 14 girls. It is such a great achievement for you all to keep coming to the beach each Sunday to develop your ocean and beach skills. I want to congratulate the girls who will compete at state and I'm very proud of the girls who have been representing North Narrabeen so well. I am also proud of our group for pushing themselves and each other each week at NN, often in difficult conditions. The ocean skills have again vastly improved this season for you all. Mostly I want to thank all the parents who have helped out again this season as it takes us all working together supporting each other to manage a nipper's age group. Look forward to seeing you all at the beach soon.

**Aaron McGregor – Age Manager**

## **Under 12, 13 & 14 Boys**

The U12, U13, and U14 Nippers age groups had a fantastic season filled with learning, growth, and fun. Our boys showed great dedication, resilience, and teamwork throughout the year. They improved their surf skills, fitness, and knowledge of beach safety, while also building strong bonds with each other.

In the U12 category, we saw some impressive performances from our boys. They learned how to paddle out through the waves, catch waves, and navigate the surf zone with confidence. They also gained a better understanding of beach safety, such as how to identify and respond to rips and other hazards. I was delighted to see their enthusiasm and sportsmanship during competitions, where they showed great support for each other.

The U13 and U14 age groups continued to build on their skills and experience from previous seasons. They tackled challenging surf conditions and demonstrated great perseverance and determination. They deepened their knowledge of surf lifesaving techniques. I was impressed by their commitment (thank you parents for pushing them) to training and their ability to balance schoolwork and other commitments with their surf lifesaving pursuits.

Overall, the U12, U13, and U14 Nippers age groups made significant progress this season, both in their athletic abilities and their personal development. They embodied the values of surf lifesaving, such as respect, courage, and teamwork, and showed great promise for the future. I am proud of all their achievements and look forward to seeing them continue to grow and succeed in the years to come.

Lastly, I would like to extend a big thank you to our U14 SRCs (Surf Rescue Certificate) who have shown tremendous leadership and commitment to the club. They have been excellent role models for our younger boys, and their contributions have been invaluable to the success of the season. I wish them all the best as they embark on new adventures beyond Nippers and hope to see them at patrol over the coming years.

On a personal note, this season has been particularly meaningful to me as your age manager. It has been an absolute pleasure to work with such dedicated, talented and fun group of boys, and to see the progress and growth that you have made over the years. However, I would like to share that I will take a break next season as we are planning a

seven-month overseas adventure. It has been an honour to be part of your surf lifesaving journey, and I will cherish the memories and lessons that we have shared. I encourage you all to continue to pursue your passions and dreams, both in and out of surf lifesaving, and to stay safe and enjoy every moment.

**Thomas Born – Age Manager**

## Nipper Membership 2022/23

### Under 6 Boys

Archie	Gellie
Beau	Bolton
Boyd	Isles
Cooper	Loftus
Finn	Fay
Harry	Murray
Hunter	Roberson
